

# Mogul Mouse (Age 3-6)

**Half Day .....\$149**  
**Full Day.....\$249**

Welcome to the Mogul Mouse program! We are excited to have you join us, and we look forward to skiing or boarding with you this season!

The Mogul Mouse program is designed specifically for skiers ages 3-6. The program is designed for all ability levels - from those looking to learn the basics to others ready to cruise the mountain. Chair riding assistance is provided for Mogul Mice. This means that during the lesson your child will ride the chairlift with an instructor or a certified chair rider.

All Mogul Mouse students are placed in small groups of similar ability and age. Our award-winning instructors are specially trained to handle each individual students needs.

Half days are offered every day of the week at 10am or 2pm, full days are on weekends and holidays at 10am & 2pm. Each session includes four lessons.

## Check-In/ Check Out Procedures

A picture I.D. is required for anyone checking a child in or out of the Mouse House. If someone other than you will be picking up a child, please let us know before hand. The Mouse House closes at 4:30pm, any children not picked up by that time will be placed in our day care.

## Clothing

Each child should arrive in the Mouse House wearing their ski pants and ski boots. Please put all of their other clothing into a small back pack or bag. Each child should have a ski coat, gloves or mittens, hat or helmet, goggles or sunglasses, a neck gator, and layers for warmth. **This program does not include slope access, each child must have an attached lift pass!**

## Labeling and Size of Bags

Everything your child brings into the Mouse House should be labeled with your child's first name. Skis should be labeled on the tips, boots should be labeled on the toes, and helmet should be labeled on the top. Please have items labeled before you check in.

## Lunch

If your child will be staying in the Mouse House for lunch, please make sure they have a lunch labeled with their name. If you prefer, we do offer a hot lunch option. Just ask at the front desk about that days lunch special and pay for it when you check your child in. We'll take care of the rest! After lunch at 12:30 we will start a movie. This gives your child a chance to rest before going skiing in the afternoon. Children may be checked out during the lunch break.

## Allergies

Please let the Mouse House staff know of any allergies or health concerns! Your instructor may give your child a piece of candy for a job well done. If you would prefer your child not to have candy, then please let us know so we have an alternative available.

## Important note to Parents and Students

When you register for a session, you must commit to those dates and times. Make-up lessons and refunds are not available. Equipment and slope access are not included with lessons unless otherwise stated.
